About Our School

Louisville High School is a comprehensive rural high school with a current enrollment of 913 students. Students may choose to prepare for a traditional four-year college or a two-year technical college, or they may enter the job market upon graduation by participating in the programs available at R.G. Drage Career Center or the Stark County Tech Prep Consortium.

ACT 2018-19 Results

	English	Math	Reading	Science	Composite
Louisville	18.0	19.7	20.3	19.7	19.5
State Average	17.9	19.2	19.7	19.4	19.2
